STUDENT'S NAME _____ LEVEL: Ninth grade

POINTS GOTTEN: _____ PERCENTAGE GOTTEN: _____ SCORE: _____

NOMBRE DEL ENCARGADO LEGAL: _____

FIRMA DEL ENCARGADO LEGAL: _____

INSTRUCTIONS:

Groups of 3 students.

Instructions

On two construction paper sheets or bond paper sheets, create a **Future Prediction Board** about life in the year 2050.

Paste or draw **10 prediction cards** directly on the sheets (do not submit separate cards).

Each prediction card must include:

- A handwritten sentence that uses **“will.”**
- A drawing or picture.
- A label: **Fiction** or **Non-fiction**.

Requirements:

- 5 Fiction predictions.
- 5 Non-fiction predictions.
- Predictions must be related to **media, apps, technology, entertainment, communication, or daily life**.
- Use correct grammar and spelling.

Example:

Smart Glasses

People will use smart glasses instead of smartphones.

Non-fiction

Students should organize the cards creatively on the sheets and decorate them to make the board attractive and easy to read.

NOTA: NO SE RECIBEN TAREAS DESPUES DE ESTA FECHA. SOLO SE REPROGRAMA EVALUACION EN CASO DE JUSTIFICACION MEDICA.

TAREA EN HOJAS APARTE.

Criteria	Excellent 3	Good 2	Needs Improvement 1
Use of Future Will	All 10 predictions use will correctly.	1-2 grammar mistakes.	Several mistakes or incorrect use of will .
Fiction and Non-fiction Classification	All predictions are correctly identified as Fiction or Non-fiction.	1-2 classification mistakes.	Several classification mistakes.
Originality and Creativity	Predictions are highly creative, interesting, and original.	Some predictions are creative, but others are common.	Predictions show little creativity or are repetitive.
Content Completion	Includes 10 prediction cards, 5 Fiction and 5 Non-fiction, following all instructions.	Missing one requirement or one prediction.	Missing several requirements or predictions.
Images and Visual Support	Every prediction includes a clear and relevant image or drawing.	Most predictions include images or drawings.	Few images/drawings or unrelated visuals.
Organization and Presentation	Board is neat, organized, colorful, and easy to read.	Generally organized with minor presentation issues.	Disorganized, difficult to read, or incomplete.
